ADVANCE TICKETS

\$20

Now on its 2nd year, Govfest is proud to introduce "Passport to Wine and Art Soirée" to Ontario public sector (OPS) employees as part of the 2016 events. This exciting soirée brings the quality of a reputable wine event and artists under a fun event to support United Way and the Ryan's Well Foundation.

Art will be on display from OPS employees, their families and friends and will be available for bidding and purchasing, to raise funds for Govfest. Guests will have an opportunity to participate in the silent auction to bid on favourite pieces with funds raised contributed to our sponsored charities.

A volunteer group will be serving a variety of hors d'oeuvres and hot finger foods throughout the evening to pair with wine. A live performance of classical music will be performed by our very own talented OPS employees as a complement to an evening of art, wine and food. There will be blind wine tastings. The musicians and art work will be located in a way for guest to enjoy their wine while appreciating the music and art work on display.
